**OBJECTIVE:** To successfully transition careers into development; seeking new challenges and stability. Continuing onto the next line because I can. It looks like I might even be able to go onto three lines ... let's see.

## EXPERIENCE .....

### MARKETSTAR

INDIANAPOLIS, IN

GOOGLE SPECIALIST

NOVEMBER 2012 – DECEMBER 2012

- Educated guests on Google's ecosystem and products, focusing on the Google Chromebook
- Answered questions involving Google and how it could better the guests' current needs
- Developed training methods for the continued education of colleagues
- Assisted guests with questions and issues – finding the answer even if it was not a Google product
- Used, tested, troubleshooted products, and reported bugs to the proper teams

### ORANGE 20 BIKES

LOS ANGELES, CA

IT MANAGEMENT & INVENTORY CONTROL

OCTOBER 2011 – JUNE 2012

- Designed and implemented improvements to POS and inventory control systems
- Created systems to improve employee communications – greatly increasing efficiency and morale
- Trained management and employees on best practices to reduce loss, save time, and save money
- Outlined and deployed knowledge classes for continued education of employees and management

### CAMADEUS FILM TECHNOLOGIES, INC

LOS ANGELES, CA

RENTAL AGENT

JUNE 2010 – SEPTEMBER 2011

- Implemented and maintained a new inventory control system – improving office and warehouse efficiency
- Organized and lead workshops and demonstrations to educate and train clients as well as employees
- Maintained equipment regularly – troubleshooting, servicing, and reporting bugs as needed
- Provided on call support by phone and on location – making sure the client could make their day
- Coordinated rentals from initial contact to delivery, invoicing, subrentals, returns, and follow ups
- Handled equipment sales under \$35,000

### VARIOUS MOTION PICTURE PRODUCTIONS

CHICAGO, IL & LOS ANGELES, CA

FREELANCE GAFFER & BEST BOY ELECTRIC

JUNE 2002 – JUNE 2010

- Controlled the look of a film through lighting techniques with direction from the Director of Photography
- Managed a department and crew ranging from 2 to 20, including personnel decisions, records and budget
- Appropriated, inventoried, serviced, and maintained equipment for the duration of the job
- Analyzed electrical needs and distributed power appropriately – always keeping a safe and efficient set
- Acted as liaison between the Lighting Department, Production, and all other departments

## PERSONAL & PUBLIC PROJECTS .....

**BATTLESHIP** – Multiplayer game written in Python – eventually to be rewritten as a webapp

**HOMELESSGAFFER.COM** – Simple CMS written in Python using Flask – deployed using git-hooks

**EXERCISES** – More words that will probably wrap

**SOMETHING** – normal wordy words

**SOMETHING** – words

## EDUCATION .....

### COLUMBIA COLLEGE CHICAGO

CHICAGO, IL

B.A. FILM/VIDEO – CINEMATOGRAPHY CONCENTRATION

2003 – 2008

## SKILLS & INTERESTS .....

- Adept in Linux, Windows, OS X, Chrome OS, Android
- Confident and comfortable with Python, Flask, HTML, CSS, JavaScript,  $\LaTeX$
- Good understanding and capable of working with MySQL, MongoDB, PHP
- Willingness and ability to learn new things and skills efficiently along with the patience to teach others
- Strong troubleshooting skills – Always focused on efficiency and finding solutions
- Excellent communication skills – able to take direction as well as lead a team
- Very capable of competently multitasking and able to keep up morale while doing just about anything
- Prefers Vim for editing, Git for versioning, and used Ubuntu since Hardy
- Always reading about technologies, tinkering with gadgets, and an all around computer geek
- Enjoys cooking and complete cast iron nerd
- Passionate about cinema, cinematography, still photography – specifically lighting
- Avid cyclist, wishful randonneur, and dedicated velodrome attendee
- Currently learning Java and attempting to learn Spanish (albeit, muy lentamente)
